I understand that:

The Practice has permission to call or contact and/or their responsible financial guarantor for treatment, payment, or health care operations. The Practice Policies include generally confirming patient appointments via phone or leaving messages on voicemail or answering machines. The Practice may call or contact patients for test, biopsy, other lab results, follow-ups, and visit reminders. Horizon Dermatology and Laser Institute is exclusively a dermatology practice; therefore, our doctors are not able to provide care in the areas of addiction medicine and/or pain management. In case of medical emergency or need for urgent contact, listed patient emergency contacts may be contacted.

- I understand that all co-insurances and insurance deductibles are to be paid at the time of service.
- I understand that patient insurance benefits are not a guarantee of payment. Our office is dedicated to work with the patient and the insurance company to obtain all the insurance benefits allowed. However, all charges not paid by insurance are the patient's ultimate responsibility.
- I understand that in addition to our fees, lab charges for lab work and biopsies to an outside source are separate charges. Patients are responsible for outside lab charges.
- In the course of a dermatology treatment, procedures such skin biopsy, liquid nitrogen freezing, skin hyfreaction, laser treatment, etc. may be performed. On rare occasions, these procedures can cause scarring and pigmentation changes.
